

RIDE *of* Rochester

Rescue/Recreation
Involving Deserving Equine

This is the time RIDE needs to purchase hay and grain to finish out the winter season and keep us going until spring. Our horses depend on your generosity. Please consider donating to our non-profit today to feed a horse in need!!

Please Help!

We need to collect funds for a Federal 501c3 fee, which would allow us to accept corporate donations and solicit grants. We also need \$\$ for spring shots and to purchase more helmets for our program sites. Support RIDE today!

Donations are Badly Needed!!
